Therefore, we are not providing the products only, but also we give the safety environment for using our products.

We aim to provide a customer satisfaction service, not only during the sales for our products, but also in a professional approach to technical support and after sales service

Hotel & Casino Solutions

Lobby: Waview offers a wonderful first impression for your customers. This amazing display will attract more customers.

Restroom: Waview offers you the ability to stand out in your business from the crowd using a combined stylish mirror and TV display. The multi-function Waview Mirror LCD TV offers you the opportunity to advertise in this previously under-used space.

Bar & Lounge: Just imagine, indoor TV shows, and outdoor the same with a water-proof function, also can be a stylish mirror for customers. Waview offers you a new solution to beat the smoking ban today to attract customers.

Shopping Centre & Public Place Solutions

With both Mirror and TV functions, Waview will let you get your customers' attention immediately. This is the solution for you for your business to stand out from the crowd in marketing.

Restaurant, Pub & Café Solutions

Want to attract more customers? Waview offers this amazing LCD panel, which has been specifically designed for the leisure market. It is waterproof, and it will beat the smoking ban as it can be placed outside!

Our large displays are Ideal for outdoor advertising campaigns and TV shows, suitable for Pubs, Night clubs & Private Members Clubs. Every screen in the range has a fully sealed and a toughened glass front, finished with an anti-reflective coating which means they can display excellent quality pictures even in bright sunlight. Come rain or shine, humidity or dust, the state of the art LCD panels ensure superb brightness, contrast and colour quality.

Yacht Solutions

In your private yacht, we believe this new dimension TV experience will reflect your style.

With cutting edge technology, Waview offer you the chance to watch TV anywhere on the yacht - on the deck, in the bathroom, in the galley because its waterproof construction makes it completely safe.

Home Solutions

Bathroom: In a humid environment, Waview brings the waterproof solution for people who want to watch TV whilst soaking in the tub. Waview's waterproof LCD TVs are manufactured with an IP66 rate of waterproof level and even the higher IP68 rate as well. All of our TVs have heated screens and come with waterproof remote controls. And it works in the exact same way that normal televisions do-except they can be used in very wet environments.

Kitchen: Waview Kitchen Flip Down TV is designed specifically for areas with limited space, and sits neatly under a wall cabinet and folds away when not in use. This is a new life style product with cutting-edge LCD TV technology, combines with built-in TV tuner, DVD player, and Built-in Card Reader and USB input, and also it has a swivel screen of 270 degrees allowing you to watch the screen from an angle.

Interior design: A Waview Mirror LCD TV provides the ultimate solution to the modern compromise of technology and interior design. Therefore, we offer the complete integration of Waview Mirror TV into your furniture design. For example, just imagine a wardrobe which functions both as a full-length mirror and an LCD TV... Many other furniture designs are possible. The only limit is your imagination.

Office Solutions

Reception Halls: The first profound impression will be given by using a Waview Mirror TV to the customers. This can be the most up-to-date communication tool for modern organizations.

Presentation & Meeting rooms: Waview offers you a platform in both technology and design to give an impressive showcase, and you will gain more advantages in a competitive market.

Saloon Spa Solutions

Just imagine - a product that combines the practical qualities of a stylish mirror with the benefits of a high-resolution LCD television, and also comes with a waterproof function. Waview offers a complete system with harmonious balance of beauty and technology, making it the finest Mirror TV in the world.

While your customers are getting their treatment and enjoying your saloon design, they will also get access to the entertainment world such as celebrity news, the latest movies, or the favourite TV shows. Waview can help you to create this enjoyable environment. This is an opportunity for your business to become more popular.

Waview Waterproof LCD TV

Waterproof TVs have been designed to suit all areas of the market, not limited to bathrooms, they are also perfectly suited to pool areas, saunas, luxury caravans and boats.

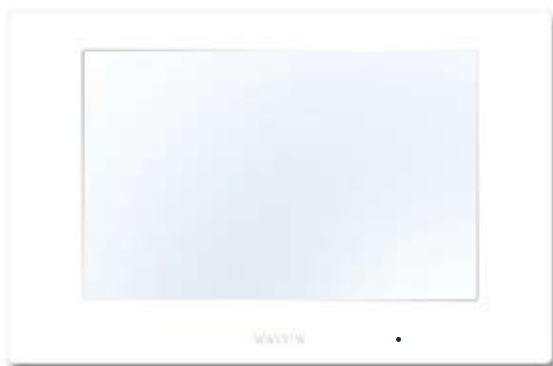

Combining modern cutting edge design with the latest waterproof LCD TV technology, our range of waterproof LCD TVs are suitable for the bathroom, hotels, restaurants, pool room, spa room, massage room, etc.

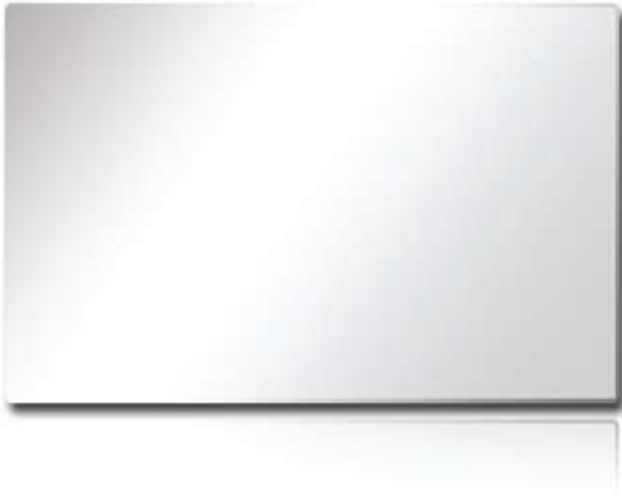

A TV that is used in this situation must have at least an IP65 rating and all of our TVs have the higher IP66 and IP68 rating. All of our TVs come with waterproof remote controls. And it works the exact same way that normal televisions do - except they can be used in very wet environments.

The products range we provide is from 5" to 47" (5", 8", 9.2", 10.4", 15.4", 17", 19", 22", 26", 32" 37", 42" and 47").

It is possible to connect the waterproof LCD TVs to terrestrial television (analogue and digital), satellite TV (such as Sky), DVD players, VCRs, personal computers and games consoles. Most of our TVs now have digital tuners so you can get Freeview.

Waview Mirror HD-Ready LCD TV

A mirror TV provides the ultimate solution to the modern compromise of technology and interior design. When switched off, the TV appears as a mirror mounted on the wall and is available in a range of finishes to match your interior. Switch on the TV and you have a large-screen, high-definition LCD TV.

Just imagine - a product that combines the practical qualities of a stylish mirror with the benefits of a high-resolution LCD television. Waview Mirror LCD TV lets you optimize the space throughout your home and reflects your taste in quality. Positioned carefully in your living room, study or bedroom, a Waview Mirror LCD TV will continue to delight you and will impress your family and friends.

We offer a complete system with a harmonious balance of beauty and technology, making it the finest Mirror TV in the world.
